

# Reading Mileage Program

Reading Mileage belongs to 'Career Development' of "Leadership activities".

It is a program that encourages students to read a diverse and vast number of books not only science and math, but also humanities and art. The recommended books have been selected by the KSA teachers.

When you write book review in recommended book list or participate in a library event, you'll accumulate "Leadership activities" hours.

You can borrow recommended books "Reading Mileage Books" section in the library.

# How to accumulate Hours?

## Activity (Hours)

- Recommended Book (3-5)
- High volume reader (2)
- Library event attendance, etc. (1-2)

## Individual Activity

- Choose book on the recommended book list.
- Submit your review on the reading mileage website. (more than 250 English words)
- Teachers read review and give hours.

## Course Activity

- Teachers can give hours for recommended books read in a regular course.

## Other Activity

- When you read the most books from the library (high volume reader)
- When you attend a library event, etc.
